Qualifying Rodeos Locations

Discussion was held on where to host the spring rodeos for the other qualifying rodeo and our state finals. Pros and cons of each arena possible where discussed.

Stephanie Imthurn moved to have the finals in Concordia on June 1, 2, 3rd. No second, motion died.

More discussion was held.

Craig Bagshaw moved to have the finals in Topeka on June 1, 2, 3. No second, motion died.

More discussion was held.

Trisha Allenbrand moved to have our qualifying rodeo on May 19-20 in Topeka. Bret Pope 2cd. Motion passed. **Stephanie noted that she would like to have the calves penned at the other end of the arena from the roping boxes so that they would run straighter. Jeff Van Petten said that he could accommodate this wish. **

Craig Bagshaw moved to have the state finals at Doc Miller's arena in Whitewater, KS. If his arena is not available then we will go to Concordia. Stephanie 2cd. Motion passed.

Suzan Adams will call Doc Miller to see if his arena is available and if so, change the website to reflect our new locations. We will need volunteers to help get the finals setup. Stephanie Imthurn and Trisha Allenbrand volunteered. Suzan will help as well, but will be limited since the high school and Jr. high school state finals are so close together. We will need help for arranging the stock, insurance issues, work the arena, concession stands, entertainment for the contestants, etc.

The meeting was adjourned at 6:21 pm.
